insert the following (and redesignate the subsequent paragraph accordingly):

1           (3) the Water Security Board may not acquire  
2           land for any project if such acquisition, or any  
3           change in management of the land after such acqui-  
4           sition, will have any significant unmitigated effect on  
5           surrounding landowners;

6           (4) the Water Security Board, through the Sec-  
7           retary, shall fully mitigate the adverse impacts of  
8           any conversion of agriculture land due to the imple-  
9           mentation of the CALFED Program; and

In section 103(b)(1)(A), after "Water Project" insert "and to water right holders in the Bay-Delta solution area".

In section 4(17)(A), insert "water" after "increased".
